

Homework- Econ 8206

Due: Friday, Nov 17

In this homework, I would like you to complete any 3 of the following 6 problems:

Ruud 26.1, 26.12, 27.1, 27.3, 27.9
Cameron and Trivedi 15.1

If you complete additional problems, you will receive extra credit for your answers.

You are free to work with other students in the class. However, each student should turn in his/her own homework assignment. Your answers should be clearly written with complete sentence and proper grammar. Poorly written homeworks will result in deducted points or you may be asked to rewrite the assignment.
