

## Homework- Econ 8206

Due: Friday, Dec 1

In this homework, I would like you to complete the following problems:

Chapter 9, Cameron and Trivedi, Problems 9-3 and 9-4 (choose one). Note that the data set for these problems are available on the author's web site.

Chapter 11, Cameron and Trivedi, Problems 11-2 and 11-3 (choose one).

If you complete additional problems, you will receive extra credit for your answers.

You are free to work with other students in the class. However, each student should turn in his/her own homework assignment. Your answers should be clearly written with complete sentence and proper grammar. Poorly written homeworks will result in deducted points or you may be asked to rewrite the assignment.
