Citizenship

Turkey (F-1 Visa)

Education

September 2003 - 2008 (expected)	Ph.D., Economics, University of Minnesota, Minneapolis MN
September 1999 - September 2003	M.S., Mathematics, University of Minnesota, Minneapolis MN
September 1994 - June 1999	B.S., Mathematics, Bilkent University, Ankara Turkey

Major Fields of Concentration

Applied Econometrics, Financial Economics, Industrial Organization, Labor Economics

Honors and awards

1994 - 1999 Board of Trustees Fellowship, Bilkent University, Turkey

1995 - 1999 Dean's List, Bilkent University, Turkey

1994 - 1999 Natural Sciences Fellowship - A, The Scientific and Technical Research Council of Turkey

Teaching Experience

2007: Graduate Instructor for Financial Economics at University of Minnesota

2007: Graduate Instructor for Financial Economics at University of Minnesota

2007: Graduate Instructor for Intermediate Microeconomics at University of Minnesota

2007: Teaching Assistant for Applied Econometrics III at University of Minnesota

2006: Teaching Assistant for Applied Econometrics I, II at University of Minnesota

2006: Graduate Instructor for Introduction to Macroeconomics at University of Minnesota

2006: Teaching Assistant for Applied Econometrics III at University of Minnesota

2005: Teaching Assistant for Applied Econometrics I, II at University of Minnesota

2005: Graduate Instructor for Monetary Theory at University of Minnesota

2005: Graduate Instructor for Introduction to Macroeconomics at University of Minnesota

2004: Graduate Instructor for Intermediate Microeconomics at University of Minnesota

2004: Teaching Assistant for Introduction to Macroeconomics at University of Minnesota

2004: Teaching Assistant for Introduction to Microeconomics at University of Minnesota

2003: Teaching Assistant for Introduction to Microeconomics at University of Minnesota

2003: Teaching Specialist for IT Multivariable Calculus and Vector Analysis at University of Minnesota

2002: Teaching Specialist for Short Calculus at University of Minnesota

2001: Teaching Assistant for Calculus II at University of Minnesota

2001: Lecturer for Calculus I at University of Minnesota

2001: Teaching Assistant Precalculus II at University of Minnesota

Teaching Experience

2000: Teaching Assistant for Calculus I at University of Minnesota
2000: Teaching Assistant Precalculus II at University of Minnesota
1999: Teaching Assistant for Precalculus II at University of Minnesota
1997: Lecturer at problem seminar series organized by TUBITAK-BAYG

Papers

2007: Nonparametric Estimation of Censored Regression Models for Panel Data.
2007: Policy Analysis of an Economy with Scarce Talent: Case of NFL.
2007: Allocation of Players Problem in National Football League
2005: Labor market choice of fresh college graduates in developing countries with **Turkmen Goksel**

Projects

1999: Polynomials of the least deviation for domains with Lipschitz type boundary under the supervision of **Alexander Goncharov**
Summer 1998: Holder continuity of the Green function and polynomial inequalities under the supervision of **Alexander Goncharov**
Summer 1997: Algebraic Curves under the supervision of **A. Sinan Sertoz**

Languages

English *fluent*
Turkish *fluent*
Kurdish *intermediate*
German *beginner*

Computer Skills

Pascal, C, C++, HTML, Fortran, Shell Programming: *Programming Languages*
Unix, Linux, Windows, DOS: *Operating Systems*
Latex, Matlab, Mathematica, Maple, Stata, SAS, Gauss ...: *Application Software*

Conferences Attended

Foundations of Computational Mathematics 2002 (FoCM'02), August 2002, Minneapolis, Minnesota
