

Final Exam Information
Econ 4401.01: International Economics
Deniz Cicek

- The final exam is at our regularly scheduled exam time: **Tuesday, December 22, 10:30 am-12:30 pm, in regular class.** The exam will be 2 hours long.
- The exam will consist of two parts:
 - **Multiple choice questions:** This part is cumulative. It will cover all of the material you have seen this semester.
 - **Problems and short-essay questions:** This part will cover the material that you have seen after the midterm.
- The exam will **not** cover any topics in the textbook that were not covered in class. You should still read the textbook, however, because it will help you to understand the material and will fill in any gaps in material that was only minimally covered in class.
- In addition to regular office hours, I will hold an extra office hour on Monday from 3:30 to 4:30 pm.
- Feel free to contact me if you have any questions. My e-mail is cicek002@umn.edu.
